River of Grass Weekly Update – July 18, 2024

The Spiritual Art Path

“Art enables us to find ourselves and lose ourselves at the same time.”

– Thomas Merton

Creativity is an experience—a spiritual experience. It does not matter which way you think of it: creativity leading to spirituality or spirituality leading to creativity. In fact, there isn't much distinction between the two. In the face of such experience, the whole question of belief is rendered obsolete. As Carl Jung answered the question of belief late in his life “I don't believe, I know” Please join us as Milton Carp shares his path of art.

Come as you are at 10:30 this Sunday morning – either in person at our new location in Davie (info below) or virtually on Zoom and Facebook Live. Come a bit before and we can chat before the service. We'll be watching for you!
